

Minutes from the KSCA 2007 Meeting.

President Scott Williams opened the 2007 state meeting. He announced that Flint Oak would be hosting the 2008 state sporting championship. LaSada would be hosting the 5-stand and FITASC championship. Jeff Oaks announced that they were looking at the weekend of July 17-20, 2008. He was going to check with Brent Fleming to see if that weekend was open.

Debra Taylor read the minutes from the 2006 state meeting. Then she announced the results from the 2007 election. She had sent out over 500 ballots, she received 119 ballots back. 95 votes were for Flint Oak, 24 votes for LaSada to host the 2008 state sporting championship. LaSada received 49 votes, Cedar Hill received 1 vote and Flint Oak received 1 vote for the 5-Stand FITASC championship.

She then announced the new state officers President Jeff Sammons, V.P. Scott Young, Sect. Eileene Duryee, Treas. Phil Gibbs SR., and Webmaster Eileene Duryee. Eileene said that she didn't want to hold two offices. She stated that she wanted the webmaster office. So the Sectaries Office went to Jan Koehler with the next highest votes.

The next item of business was the 2006-2007 financial report. Mrs. Williams pointed out that there was a 10.00 error. President Williams made the adjustment to the report.

It was brought up that the 5-Stand FITASC shoot wasn't making any money, and if there was anything that could be done. Not with out the membership voting on it by a quorum.

Dr. Tomb wanted to know how we could get young shooters interested in competing at the state shoots and sporting clays in general. He mentioned asking some of the outdoor sports writers of Kansas to come to the state shoot and write about youth in shooting to spark some interest.

Frieda Lancaster asked if any of the new officers other than Eileene were present. Jeff Sammons introduced his self.

President Williams asked if there was any other business.

Then the meeting was adjourned.
